III. Site Location/Address

IV. Status of Construction Activity

Site Name	<input type="checkbox"/> All soil disturbance activities by the permittee have been completed. <input type="checkbox"/> The site has undergone final stabilization of all exposed soils through vegetation or other measures and all stormwater discharges from construction activities that are authorized by this permit are eliminated. <input type="checkbox"/> All temporary erosion and sediment controls have been removed and properly disposed, unless local ordinance requires otherwise in the completion of the project. Date above items were completed: _____		
Street Address (or Location Description)			
Section		Township	Range
City (or nearest City)		Zip Code	
County			

Certification

Please read the certification statement carefully before signing.

I certify under penalty of law that all stormwater discharges associated with construction activity from this site that are authorized by this NPDES general permit have been eliminated. By submitting this Notice of Termination, I understand that I am no longer authorized to discharge stormwater associated with construction activity under this general permit, and that discharging pollutants to waters of the United States is unlawful under the Clean Water Act where the discharge is not authorized by a NPDES permit. I also understand that submittal of this Notice of Termination does not release a permittee from liability for any violations of this permit or the Clean Water Act.

Instructions for Completing the Notice of Termination Form for NPDES General Permit to Discharge Stormwater Associated with Construction Activity

This Notice of Termination Form is for a permittee that currently is assigned coverage under Oregon's NPDES general permit for the discharge of stormwater associated with construction activity. Use this form to end permit coverage once all soil disturbance activities have been completed and final stabilization of exposed soils has occurred. **Please print in ink or type.**

I. Permittee Complete as indicated. The permittee is the name of the company or person as it appears on the permit. Only the permittee or the permittee's legally authorized representative has authority to terminate permit coverage.

Note: If you are not the current permittee but should be, you need to transfer the permit. Please use the Transfer of Ownership form at <http://www.deq.state.or.us/wq/wqpermit/PmtTfrAppl.pdf> or contact DEQ at one of the offices listed below.

II. Legally Authorized Representative Complete as indicated if different from the Permittee. This is the person that is completing the form and certifying that soil disturbance activities have been completed and final stabilization of exposed soils has occurred.

III. Site Address/ Location Complete as indicated. If a street address is not yet available, enter a description of the location, including township, section, and range. Also provide the city (or nearest city) and county for the construction site.

IV. Construction Activity Check the "boxes" to indicate that all stormwater discharges associated with construction activity have been eliminated, final stabilization of the site is complete, and temporary erosion and sediment control measures have been properly disposed. Also, provide the date of completion for these activities. Your permit will not be terminated if these activities have not been completed.

Certification This statement should be read carefully by the permittee, owner or legally authorized representative. The person signing this form must print or type their name for clarity then sign and date the document on the lines provided.

Form Submittal & For More Information Submit this form to the appropriate regional office. There is no fee required for this action. If you have any questions, please contact one of the regional offices listed below.
