\*A project *may* be eligible for "automatic coverage" under NPDES general permit 1200-CN if stormwater *does not* discharge to a water body with a TMDL or 303(d) listing for sediment or turbidity *and* it meets one of the following criteria (see 1200-CN at <http://www.deq.state.or.us/wq/wqpermit/docs/general/npdes1200cn/1200CNPermit.pdf>):

- 1) Disturbs less than one acre and is located in Gresham, Troutdale, or Wood Village.
- 2) Disturbs less than five acres and is located in Albany, Corvallis, Eugene, Lane Co. (NPDES MS4 permit area), Milwaukie, Multnomah Co. (unincorporated areas), Springfield, West Linn, or Wilsonville.
- 3) Disturbs less than five acres and is within the jurisdictions of Clackamas Co. Water Environment Services [Gladstone, areas within Clack. Co. Service Dist. #1 (excluding Happy Valley), and areas within the Surface Water Management Agency of Clack. Co. (including Rivergrove)], Clean Water Services (Banks, Beaverton, Cornelius, Durham, Forest Grove, Hillsboro, King City, North Plains, Sherwood, Tigard, Tualatin, and Washington Co. within UGB), or Rogue Valley Sewer Services (Central Point, Phoenix, Talent, and portions of Jackson Co. in NPDES MS4 permit area).

## DEQ NPDES General Permit #1200-C Application

### A. PROJECT INFORMATION continued

9. Stormwater runoff during construction will flow to:

- Infiltration device(s)
- Creek/Stream (provide name):
- Ditch (provide name of receiving stream for ditch):
- Municipal storm sewer or drainage system (provide name of receiving stream for system):
- Other:

10. Stormwater runoff during construction discharges directly to or through a storm sewer or drainage system that discharges to a water body with a Total Maximum Daily Load (TMDL) or 303(d) listing for turbidity or sedimentation?  YES  NO

*\*\*For assistance: DEQ Lookup Tool at <http://deq12.deq.state.or.us/tmdl/default.aspx> or DEQ Map/Table at <http://deq12.deq.state.or.us/tmdl/default.aspx>\*\**

### B. LAND USE COMPATIBILITY STATEMENT

Submit a DEQ Land Use Compatibility Statement (LUCS) form that has been completed by the local land used authority with this application. Attach the *original* LUCS and, if applicable, written findings by the local authority. DEQ will not process the application unless the local land use authority indicates on the LUCS form that the project is compatible with the local acknowledged comprehensive plan and land use regulations.

*\*\*A copy of this form may be found at <http://www.deq.state.or.us/pubs/permithandbook/generallucs.pdf>\*\**

### C. SIGNATURE OF LEGALLY AUTHORIZED REPRESENTATIVE

The legally authorized representative *must* sign the application. The following are authorized to sign the document (please see 40 CFR §122.22 for more detail, if needed):

- ◆ **Corporation** – President, secretary, treasurer, vice-president, or any person who performs principal business functions; or a manager of one or more facilities employing more than 250 persons or having gross annual sales or expenditures exceeding \$25 million that is assigned or delegated in accordance to corporate procedure to sign such documents.
- ◆ **Partnership** – General partner.
- ◆ **Sole Proprietorship** – Owner. If more than one person is the sole proprietor, each person must sign the form.
- ◆ **City, County, State, Federal, or other Public Facility** – Principal executive officer or ranking elected official.
- ◆ **Limited Liability Company** – Member.
- ◆ **Trusts** – Acting trustee.

I hereby certify that the information contained in this application is true and correct to the best of my knowledge and belief. In addition, I agree to pay all permit fees required by Oregon Administrative Rules 340-045. This includes a renewal application fee to renew the permit and a compliance determination fee invoiced annually by DEQ to maintain the permit.

\_\_\_\_\_

### APPLICATION AND FEE SUBMITTAL

To authorize permit registration, the following must be completed and submitted to the appropriate DEQ regional office or DEQ Agent (see list of offices in application instructions, p. 3):

- DEQ application form signed by the Legally Authorized Representative
- DEQ LUCS by local land use authority indicating the activity is compatible w/local acknowledged comprehensive plan and land use regulations.
- Stormwater Erosion and Sediment Control Plan Narrative
- Stormwater Erosion and Sediment Control Plan Drawings
- Effective 9/1/2010 to 6/30/2011, the fee for a new application is \$1,555 payable to Oregon DEQ and you must submit it with this application. Please note that DEQ will also invoice you for an annual fee of \$788 if your project needs permit coverage for more than a year. These fees are subject to change after 6/30/2011; please visit <http://www.deq.state.or.us/wq/rules/div045/tables.pdf> for the fee after this date. If you are sending your application to a DEQ Agent, check with the DEQ Agent for appropriate fees and make check payable to the DEQ Agent.

# NPDES General Permit 1200-C for Construction Activities

## Application Instructions

### A. PROJECT INFORMATION

- Enter the legal name of the applicant. Permit coverage will be issued to this entity. This is the person, business, public organization, or other entity responsible for ensuring that erosion and sediment controls are in place and in working order through the life of the project.
  - This must be the **legal** Oregon name (for example, Acme Products, Inc.) or the **legal** representative of the company if it operates under an assumed business name (for example, John Smith, dba Acme Products).
  - The name must be a legal, active name registered with the Oregon Department of Commerce, Corporation Division in Salem at 503-378-4752 or [http://egov.sos.state.or.us/br/pkg\\_web\\_name\\_srch\\_inq\\_login](http://egov.sos.state.or.us/br/pkg_web_name_srch_inq_login), unless otherwise exempted by their rules. If the name of the applicant is not registered with the Corporation Division and the applicant is a partnership or doing business as a corporate entity, attach legal documents that verify the entity's existence with the application. The applicant may not use an assumed business name.
  - Permit coverage may be transferred from one party to another. For example, a developer may apply for a permit and then transfer the permit to a contractor. Transfer forms are available from DEQ or at <http://www.deq.state.or.us/wq/stormwater/constappl.htm>.
- Provide invoice contact information for billing of DEQ annual permit fee if different from the applicant in #1 above. This is the person or entity legally responsible for payment of the annual fee invoice; not a third party independent of the applicant
- Provide contact information for the Architect or Consulting Engineer who designed the Erosion and Sediment Control Plan (ESCP).
- Provide information on the Erosion and Sediment Control Inspector. This is not a DEQ or DEQ agent inspector; this is an inspector employed by the applicant. If the inspector has not been selected yet, please provide the name of consultant who prepared the ESCP. When the inspector is selected, submit to the DEQ or DEQ Agent the name, contact information, training and experience (see condition A.12.b.iii of the 1200-C).
- Provide the common name of the project (for example, the name of the subdivision), the location of the site with respect to crossroads in the area, and, if available, a street address.
- Check the box that best describes the nature of the construction activity. If "other" is selected, describe the use and include a Standard Industrial Classification Code (visit <http://www.naics.org/> for codes).
- Enter latitude and longitude for the approximate center of the site (DEQ Location Tool at <http://deqgisweb.deq.state.or.us/llid/llid.html>).
- Provide information on the project size as indicated.
- Indicate where stormwater runoff during construction will flow. Use your best judgment to determine the name of the receiving water body.
- Indicate whether stormwater runoff during construction will discharge directly to or through a storm sewer or drainage system that discharges to a Total Maximum Daily Load (TMDL) or 303(d) listed water body for turbidity or sedimentation. To make this determination, the following tools are available on DEQ's website:
  - Map and table: <http://www.deq.state.or.us/wq/stormwater/construction.htm>
  - Lookup tool: <http://deq12.deq.state.or.us/tmdl/default.aspx>

### B. LAND USE COMPATIBILITY STATEMENT Complete as indicated.

### C. SIGNATURE OF LEGALLY AUTHORIZED REPRESENTATIVE Complete as indicated.

### APPLICATION AND FEE SUBMITTAL

Submit this application, LUCS, Erosion and Sediment Control Plan Narrative and Drawings, and the applicable fee to the appropriate DEQ regional office or DEQ agent listed below.

- If you are in an area serviced by a DEQ Agent, check with the DEQ Agent for appropriate fees and make check payable to the DEQ Agent.
- If you are sending your application to DEQ, effective 9/1/2010 to 6/30/2011, the fee for a new application is \$1,555 payable to the Oregon DEQ. Please note that DEQ will also invoice you for an annual fee of \$788 if your project needs permit coverage for more than a year. These fees are subject to change after 6/30/2011; visit <http://www.deq.state.or.us/wq/rules/div045/tables.pdf> for the fee after this date.
