FILE NO: \_\_\_\_\_

APPLICATION FOR  
SUBSURFACE DISPOSAL OF SEWAGE

RURAL DENSITY CONSIDERATION

This application must be accompanied by:

- (1) A copy of the detailed plot plan of the proposed construction area (See item 6a on attached sheet).
- (2) A copy of the soil test of the property (See item 6b on the attached sheet).
- (3) Plan and cross section of the proposed disposal system showing sufficient details of construction that this office can make a determination as to its adequacy.
